“ I was saddened to read in a past Leader Call paper after Christmas Holiday absence that my friend Fay had died. She and I had spoken often by telephone and I met and visited her just once at her long time home in Laurel, MS.

I interviewed her and wrote a story of her life and association with South Mississippi Charity (state) Hospital where she worked at one time. Her beautiful photo and the story was published in the book "Charity Girls" of SMCH Laurel MS."

May she rest in peace and may God comfort and be with her family always.

I only wish I had known her for more years. Barbara S Powell RN

“ To Janis and the rest of the family.
I want you to know that the Green family has made an impact on my life and ministry. You were members of my first pastorate, Fair Ridge Baptist Church, while I was in school at Clarke College. Our friendship has grown through the years through our continued contact which has enriched my life. My prayers are with you during these difficult times.
Janis, God will carry you through this as He did when your dad passed away. Love in Christ, Brother Thomas J. Ayo
