“ she was like a mother to all the children. she was my sunday school teacher. she was the best cook in Jasper co. She always cooked the best rolls in stringer's cafeteria. I remember her giving extra food to kids to make sure they were full. As a mail carrier she left santa claus letters to all the children. she made everything special. I have not seen her in years but i never forgot about her. She was very good friends with my parents and we use to go to house a lot to have cookout. precious memories.
