“ Such a beautiful soul you are and will forever be truly missed but forever in our hearts you'll remain and always cherished. So thankful to God for Blessing us with you in our lives. I have so many wonderful memories to carry on such a sweet and wonderful person.. those who didn't know just have no clue what they've missed out on.. I could never do any wrong in your eyes although you gave me that look 😊 and those lips and yes that finger point and hand on that hip but it didn't take much for you to swoop me up in your arms and just love me to pieces.. even when I was grown you'd tell me to come sit on your lap and I'd tell you I'm a whole lot bigger now and you'd say but you're still my baby.. and yes your baby I'll always be.. I Love you so so dearly!

Love Always,
Your Baby Vanessa Corine and Jeff Dedeaux (the keeper as you told me) and family
