“ *Terry, Tena, Tracy and family, I am so saddened by your mother's passing. I have so many wonderful, happy memories of her, Leonard, and all of you. She was such a beautiful person inside and out. I will always remember her as she was in her younger days. I don't have to tell you how great a person she was. I just know she would do anything for her children. She was a wonderful friend to my mom, and I will never forget that she ran across the back yard in the wee hours of the morning to try to save my daddy's life. She loved you all so much, that I'm sure she will still be looking after ya'll from heaven. I believe that with all my heart. You will each have a special angel sitting on your shoulder! I love you all, Rhonda Wilson Blackwell*
