“ *Ramona. You know your Mother was a hoot to be around. I worked with her at Thermo Kool for years and we all played volleyball and softball together. Those where some good times. I came to mow her yard before Kevin moved back. Me and you were talking and she came out and told me I was working for her and get back to mowing. We looked at each other and just laughed. It wasn't funny to her. Frances Davis . I can still hear them calling her on the phone at TK. She will be missed. My Condolences to you and your family. From Kathy Valentine*
