“ Aunt Freda and I shared some special connections. First and foremost she was a Burnett! A trait that runs deep in our blood and our tradition. Secondly, she was a U.S. Marine, as am I. One of the earliest females in Marine Corps history to serve. I know, because I work in Washington, D.C. and I have visited the museum dedicated to females in the military, which she is in. I am her brother, (John Edward Burnett) grandson. I will miss you Aunt Freda. God bless you, and Semper FI!
