“ Sarah, I'm one of Fred's classmates from West Jones. I was so shocked to hear of his death. He was a wonderful guy, and I know you've heard that from many people. The comfort comes in knowing that he was a Christian and that he is now Home with his Lord and Savior. The other comfort comes in knowing how he loved his family and other people and how he spent his life. Know that you and your family are in my prayers. May God's peace and comfort surround you.
