“ *Pawpaw West was a wonderful, kind-hearted, and loving man. He took on the role of Pawpaw for Chaise when he was little and I couldn't be more grateful! I know my dad is thanking him for showing his grandsons the love a pawpaw has for his grandchildren. I know our family will miss him greatly and we pray for comfort for his family. Christina, Todd, Chaise and Caidyn*

“ *So very sorry! Uncle Tobe was always so sweet to me. He was like my Daddy'...didn't say a lot but always had a smile for me. You were blessed to have him 80 years. I love the video of him loving his grandbabies. I know he has missed Aunt Ledoora. He is well now No more pain. I pray for peace and comfort for you all. Although we don't. Get to see each other I still have great memories of playing with you all. One day this will be no more for God shall wipe all tears from our eyes. I love you all very much and glad you were in my life!*
