“ Lynn & Gina, know that our prayers are with you and the family. You two girls know that we would be there if momma was feeling better, she often talks of when they all worked together at Reliance and that momma & daddy's 1st date was the day your mom & dad got married, such sweet memories they've shared over the years. We will keep you all in our prayers n know that if there is anything we can do please don't hesitate to call. We love y'all
