“ *Paulice, and Children, I was so sorry to hear of George's death. It has been so long since I have seen any of your family though. We don't get back to Heidelberg much except to run down to put flowers on Mother and Daddy's graves and Bertie Mama's, and then we come right back home. We still love you and remember the good times we had together. I always loved to go to Aunt Essie's house. We will be praying for all of you. Love to you all. Jo*
