“ My name is Faye Craft. Lane's bus driver. He will be greatly missed. He never failed to step up on the bus and speak to each student. He would feed the deer close to his house so the students would get to see them. I'm praying for the family. Love yall.

“ Dear Janet & Family,  
I was very sad to hear of George's passing. I have such fond memories of all the summers I spent in Mississippi growing up. George was always like a big brother to me when I was down there. He took me dirt bike riding, fishing, in to town for a malt & other junk food! He even took me with him quail hunting one time & I'm quite sure he was sorry he did because I was young and I made too much noise! He was so much fun to be around. I will always remember the good times I had with my dear cousin George. May God Bless his soul & may he be with all of you during this sad time.  
I Love You All,  
Robert Taylor
