“ *To the Harper family:
My thoughts and prayers are with you during your time of sorrow.
I did not know until today of his passing. He was an amazing man
and no matter how many years had passed since I had seen him, it
seemed as if it was just yesterday. I'm sure he will be truly missed.*

“ *George was very special friend I will never forget, we enjoyed
talking on the phone and exchanging letters/cards as long as he
was able. I wrote him often when he was in the burn center and he
healed so amazingly well. A strong handsome gentleman I enjoyed
at many Highway Patrol gatherings for many years.
He was there when I needed him at Sidney's death and was helpful
with family matters. He was one of the sweetest men I ever knew.
My heart is broken and I pray for the children and grandchildren
who will miss his presence.*
