“ Thomas. James, and Paul I just read this about your dad. My condolences goes to each of you and your families as well. I love your mother, Mrs Helen and your father. He loved picking at my mother when he was pastor at Beaumont First Baptist. He taught my husband Martial Arts when you all were in Beaumont on 1978.

“ Brother Frank was very special to my husband and I. He brought our community together by coaching our girls and boys softball teams. He was at the hospital when our first child was born and we had never met us. He was there for everyone in the community whether they went to church. We loved him, Mrs Helen. Thomas, James and Paul and we will never forget him and his family. Prayers for the family.
