HA

“ We will miss you so much and i love you so much. I think about you everyday and night just praying you would come back through the front door. like when you used to come home from work i would always come through that little path that i made the baby is doing fine. im so sorry that you never got to see him and that he never got to love a man like you.

“ Brenda, Michelle, Joe Joe and families, I am in deepest sorrow of the loss of Joe Donald. I want you all to know that you all seem just like my family too. I want to tell you that Joe was a very special person to me too and the last time I saw him in Wallace Drug store he asked about my Daddy and I said I had not heard from him in a while, I guess he was upset about something, Joe looked at me and said if he is it will not be that way for long because Daddy's NEVER turn their backs on their children. He was so right!!!! May God bless the entire Donald family and also he AWESOME friend, Mr. Buddy Barbo!!! I will miss seeing Brenda and Joe in Wallaces that seemed to be where we got to visit and catch up on everything!!! I love you dearly Brenda and I am here if you EVER need me. Suzette

“ I knew Joe through work. We had a lot of fun teasing one another.  
Please accept my deepest condolences.
