“ Sam and Carrie... I just want you to know how sad I am that you no longer have your father here on earth... I didn't get to know Mr. Reid real well... just seeing him in the evening when we gathered to pick up our children... I do know I thought well of him...seemed the quieter type to me...a very likable man.. I never knew he was your father Carrie...I know you have great memories... I love you and the family..

“ We are profoundly saddened about Mike's passing and are proud to have called him a brother in the volunteer fire service. Mike was passionate about the Powers Community and about serving his country in the military. His service, compassion, kindness and love for others will never be forgotten. Godspeed friend and while Heaven has gained, we have certainly lost a giant in our community.
