“ What a lady!! She was my first international friend 😊 It feels like just yesterday I was sitting at the kitchen counter at my grandfather’s house and she was making me brownies and teaching me French. I will never forget those French words! And I will never forget her kindness and her sweet spirit. My name always sounded cooler in her French accent 🇫🇷. The last time I saw her in the nursing home, her memory was pretty bad, but she looked at me and said, “I cannot remember your name, but I know you are RC’s.” She loved my grandfather well and I am thankful to have had her as my Mimi. She was a unique figure in my life. 💛💛💛

“ Mrs. Georgette is precious to our family. I loved hearing her tell stories in her beautiful accent and hearing about her life in France. I remember when she was visiting us once, she came to the dining room table to sit with me while I finished up some homework. She taught me more history and culture in that one conversation than I’d ever learned in school! I’m so thankful that the Lord shared her with us in this life! Jessica Clark Wade

“ *I am Maurene Hogan, grand daughter, my Memaw also has 5 great great grandchildren that I know of. Being born and raised in France she definitely had her own way of doing and saying certain things, she loved to cook and she loved to see us with full bellies! There's just too many memories of my memaw to list. She will be greatly missed and thought of often. May God soothe and strengthen our family during this time of grief for our loss. Let us take strength in our Lord God for he has received another angel to sit by his side.*
