“ I am so very sorry for your loss! Gerald and I went to high school together, and although I hadn't seen him in a few years, I kept up with him on Facebook! I was so proud to see how great he was doing! He was a great person, one of the kindest people I know, and had the sweetest smile! He will be missed by so many, including myself! You are all in mine and my entire family's prayers!

“ *My thoughts and prayers are with Gerald's friends and family. It did not take long for a stranger to become his friend or for a friend to know he was devoted to the friendship. He was one of the best people I have ever met and he will be dearly missed.*
