“ *Moma I miss you already. Wyoming won't be the same without you. Sweet memories will be everywhere I look. You loved watching it snow and all the animals coming in our yard. I know you are with Daddy now and that's where you wanted to be. I wish both of you were still with us healthy and full of life. Jesus wanted you back and one day I will be with you and Daddy forever where their will be no pain no heartache and no more sickness. Until then know JR and I were honored to have the time with you and as JR said Mother dear is happy now and there will never be any suffering again. I love you Moma!!!*
