“ All, it has been too many years to count since I have seen any of you or Uncle Lester, as I called him. My heart and thoughts are with you during this most difficult time. I have found memories of our visits with you all when I was a child.

“ I first meet Mr. Sharp when he would come to City Salvage to bring his cakes that his sweet Daisy would make. The first time I talked to him he became my buddy. I looked forward seeing him every time he came to City. I would see him in town and he would give me the biggest hug and always put a smile on my face. Mr. Sharp is a precious soul and he is rejoicing with his sweet Daisy and the Lord. To the family y'all will be in my thoughts and prayers for the days to come. Everyone that knew Mr. Sharp loved him.
