“ My first job in 1973 was as a D.E. student at Masonite. I was the file clerk in the Accounting Department. It was a great first job and Mr. Ishee was a wonderful boss. I learned a lot about the working world -- and am forever grateful for that experience and that I was able to work for someone as kind as Mr. Ishee. My thoughts and prayers are with all of you.

“ I had the joy of working for Harold at Masonite. One of the best bosses I ever had. I have thought about him through the years and wondered how he was and what he was up to. Harold was a kind courteous man who definitely had an influence in my life. I loved him and know he will be missed.
