“ Dearest Donna and family, I was very sorry to hear of Harold’s passing. I did not see the obituary until Saturday, June 1. I would have loved to see you. Harold had such an interesting life, and you shared some of it with him. I remember some of the stories you told me about your and Harold’s adventurous life.
I know that your faith will help you through this, but rest assured, many people are praying for you and your family.
