“ Monday 12 noon
Just read of Jimmy's passing. So sorry. This is a tough tough time for all of you. As you know, I lost Steve after just 25 years of marriage and at age 51. You and Jimmy had many extra years. I remember when he had that first heart surgery and you came to spend the night with us. He got thru that fine. Glad to know that you had some time together after you retried (semi). He was great to come early and help with a retirement party at my house (Janet & Woodie) and to visit with on big trips. That was always FUN!!! And I enjoyed our trips to pubs with you and Jimmy. Thanks for including me. Please stay in touch.

“ *Dear Doris, Mary Winn and Family,
When I think of Jimmy I automatically smile. I have many memories of the good times we had as children during our visits to Laurel. Jimmy is often at the center of those memories, as are you, Mary Winn. Jimmy was such fun and always willing to spend time with his younger cousin. As we got older, we had great debates and I should have known he would become a lawyer.
My love to all of you.*
