“ Ms Helen was so sweet to Rick and me. She would send us birthday cards and praying for you cards often. She always greeted us with a smile and hug. I did not know that she had passed until after the funeral. I remember helping her after I witnessed a car hitting her car as she was pulling out of the Roses parking lot. Even then, she was more worried about the other driver than herself. Loved Ms Helen! She will be missed!

“ *Helen's father and my father were twins, but most of our lives, we didn't live close to each other so we mostly kept in touch by mail. When we both lived in Prescott, Arkansas, we saw each other frequently and I have fond memories of visits with her family. Last year she wrote me a beautiful, long letter explaining why her family moved to Laurel. I understand that the church participated in a wonderful 97th birthday celebration for my dear cousin that meant so much to her. I heard that she was such a blessing to many in the church. "Well done, thou good and faithful servant."*
