“ I had the honor of knowing Jack as a friend, Coach, and fellow believer. He impacted my life with his kindness and love for baseball, football and all sports. He invested his time and effort in kids like me. Jack was always ready with a smile and a hand shake. His influence on so many young boys will have a lasting influence on future generations. So long friend, I will see you again when the Lord calls me home too.

“ I am so sorry to hear of Jack's death. He and I were classmates graduating together from Gardiner High School in 1959. I would see him at the Laurel football games and the baseball fields. A very nice gentleman.
