“ Holly thank you for Samantha, who has given us 3 beautiful granddaughters. While you will be solely missed here on earth, I know how happy you are back by David's side. David, Shawn, Timmy, Samantha, their families, your sister and brother and their families will all be in my prayers! I would love to be there to pay my respect to you but the kids said they need me watching the babies. If that's what they need that is what Bree and I will do. Save a seat for me in Heaven cuz I will be seeing you one day! Until then rest in the arms of Jesus in your totally new body!! Healed once and for all!
