“ When papaw worked at the bank he would always give us kids brand new silver dollars and uncirculated dollar bills. He was a smart accomplished man. I don't think I ever saw him mad as a child or in adult life. He was happy 😊

“ Mr. Broome was a founding member of Justice Heights United Methodist Church. His love of God and his fellow Christians was apparent in his daily life. Most of all, his love of Mrs. Doris was apparent. He served as a member on every committee at some point including on the Board of Trustees and as president of the United Methodist Men. He was wonderful to visit my father through surgeries and illnesses.

We praise God for such a humble, abundant life.
