“ *Mama,  
I don't really know where to start at 😞 words can't explain how much I miss you each and every day. There's not a day that goes by that your not on my mind. Since you've passed I've made some bad choices and I've messed up several times. I know that your disappointed in me 😞💔 I'm disappointed in myself honestly. I feel like a complete failure. I feel like I can't ever do the right thing and I always feel so lost and empty on the inside. I honestly don't know what to do anymore mama. I've failed. As a grandkid, as a kid, and even as a parent 😞💔😞 I just wish you were here and it's killing me that your not. I love you so much mama and just wish I could talk to you one last time. Hopefully I can turn my life around and make you and the ones I love proud of me. That's all I want is for you and mama to see me succeed and be happy and successful through life. Until next time love your brown eyed pickled pie

“ Greetings to Jane's family and friends,

*Fifty years ago, when I was in the Air Force, I was engaged to marry Jane. Jane and I enjoyed a beautiful relationship for two years. Heeding to family wishes, Jane went on to marry Mr. Raynor and later married Mr. Martenson.*

*Jane and I kept in touch over the years and she told me of her six children. I only recently became aware of Jane's death when I called the nursing home where she resided. Jane was the love of my life all these years and I share her family's loss.*

*I now reside in Fishers, Indiana.*
