“ *She was not just my Aunt but also my friend. She knew things I never told anyone and I know she kept them with her. She loved without limits and was blessing to all who met her. I'll miss her.*

“ *I was privileged to know Ruth for many years, beginning soon after the death of her husband. However after my retirement, I lost contact with Ruth in recent years. She was a beautiful and loving mother to Hope, and was very close to her family. To Hope and Nancy, especially, and to all who loved her, I extend my condolences. I know this a great loss and you are in my thoughts and prayers for comfort and peace. Love and prayers, Sarah Entrekin*
