“ *Going to miss that man. I've known him for Lord knows how many years. Some of my earliest memories are going to the video store and getting candy from him. And to get to know him how I did when I was dating nikki, to be able to spend thanksgiving and Christmas with him showed me a whole other side of Jack. Truly a great man who touched so many lives for the better.*

“ *Jack was more than just a friend, he was like a big brother. And unbeknownst to him, after my father passed, Jack filled a gap in my life. To say he will be missed is an understatement. I count it a blessing to call him my friend. The world is a lesser place without him in it.*
