“ *We have so many fond memories of Jackie. I remember making German christmas cookies with her at her house when I was a foreign exchange student in Laurel in 1987/88. My father still remembers the day my parents picked Jackie up from military training in Germany and spend the day with her in Hamburg. Jackie will always be in our hearts. Love Stefanie Plagemann and family*

“ Mrs. Stennett was the most amazing woman I had ever met... Her heart was filled with Gods Love and it showed in everything she did... My mother, Jane Maxwell, was a good friend of hers as well... She was always there for me during every surgery seeing me through and praying for me before and after... My name is Tiffany Westbrook, my sister Tenille Westbrook and I grew up with Mrs. Stennett... I remember going to her house and making Homemade Gingerbread Houses and Pickles from Cucumbers... She will be truly missed, a true family friend...
