“ I worked with Mr. Hillman while on the MEP job with Kinder Morgan in Mississippi. When I arrived there were three of us in the pipeyard to receive in all of the pipe, Mr. Hillman, Bobby Thurman and myself. Mr. Hillman had Bobby and me cracking up. Hillman was such a character! My life is better off having meet Hillman... you will be missed.

“ We feel so blessed and honored to have known Mr. Belding all these past years of going to the camp. He's touched all of us in a special way, either with words of advice or his wisdom or just his appreciation for life. He will be greatly missed by each of us and we will always carry his memories in our hearts. Our deepest sympathies, thoughts and prayers.
