“ *I'm so sad to see this. I was best friends with Ashley, growing up, and all these years later I've only met a few people who were as sweet and kind as Mr. James was. He brought me back a t shirt from an NSYNC show in Jackson when I got in trouble last minute and wasn't allowed to go. It meant so much to me and I treasured it for years. When I'd run into him in town, he always remembered me and spoke. He loved serving the community and I remember him bringing the fire truck to show at Military Day. He was truly a family man, a servant, and a true Christian, and I'll always remember him that way. Rest in peace, Mr. James, and Ashley and Theresa, y'all are in my prayers.*
