“ I am so sorry to hear of Jabo's passing. I haven't seen him since high school, even though we live in the same small town. I remember him as quiet and polite; friendly and so nice. Such a young man; gone too soon.

"Jabo" was my friend from Maddox Junior High and through high school. He was great to be with in class and was a football manager with me at Maddox. I have run into him off and on over the last 40 years and he was always the same nice guy. I know he will be missed by many.
