“ *Uncle Cecil, you were my favorite Great Uncle. I always enjoyed our talks. You always had time for me and loved me unconditionally. I so enjoyed our visit back in July when Jessie and I came down. I'm so glad the 2 of y'all got to meet. I've picked up the phone to call you several times. I miss you more than words and love you beyond measure. I know you're resting safe in the arms of God. Please hug everyone for me and tell them I love and miss them too. Looking forward to seeing you and them again one day soon!! Until then....*
