“ My heart and prayers go out to Frank Lovett's family. I worked with Frank for a number of years at Hercules. He was a fine Christian man who loved the Lord and people. He and I were both Vietnam veterans and he loved serving his country. May God Bless You.

“ Uncle Frank was a special person in my life because he showed that he loved me and my 2 sisters. He was only 14 years older than me and he and Uncle Pat were young enough to play games with us as children. He was more like an older brother than uncle. I will miss him a lot. I am keeping the family in my prayers.

“ Back in the summer when Uncle Frank was in the hospital I called to check on him. He said, “Virginia I’m worried.” I said about what, to which he replied, “I’m worried about my peas.” I said come again. To which he said “I’m worried the family isn’t going to pick my peas in time and they are gonna go bad.” In a joking manner I told him if I could reach through the phone I’d ring his neck! lol. Instead of being worried about being sick he was worried about his darn garden being picked! lol
