“ Just wanted to let the family know how deeply sorry I am for your loss!! I worked with Jamie and considered him a friend! He was one of the sweetest people I have met in my years working construction! He always talked about his son and daughter and I just want you to know that despite how it might seem right now, he loved you both with all his heart!! I love you Jamie and wished I could have made a difference! Rest In Peace!

“ *My eyes can no longer see your smile,
Yet my heart still feels its warmth
My ears can no longer hear your voice,
Yet your words of wisdom are etched into every day
I can no longer hold your hand,
Yet it still guides my every step
What we see, hear, touch is only temporary
What we feel and learn and love is eternal...
You are always with me..... I love you JCP!*
