“ I first met Jr at The Store in Glade, Ms. The first time I met him I knew he would be my friend forever. He always pester the mess out of me but he would call me his little girlfriend. He was such a great friend and even though I didn't see him but a few times after the store closed, Everytime I saw him he was Jr no matter where I saw him. I know he is riding in the sky and smiling down on everyone he loved. Until we meet again Jr save all of us a seat bc we will see u soon my friend.
