“ *We were shocked and incredibly saddened by the sudden death of Dennis. He was my childhood friend in Laurel and we spent spent many a wonderful day in the woods behind our houses playing, fishing, and working. I had not seen him in years and that makes me even more sad. “ Dennis was one of my best friends,i will never forget his smile and his sense of humor. He will always hold a piece of my heart. He truly was a man who put others before himself and he will never be forgotten. He was one of a kind and I am thankful that I had a chance to be apart of his life. When the tears start to flow, i just think about him looking down at us smiling with gus on his lap.

“ *Doris, Tom and Kenny: I loved him like a brother. I will miss him so much. We often talked about the old days at the Rocky Mountain Hunting Camp at Pauldng and the memories we had from there. We usually talked about Buddy Poore and Winston Lyon, and Billy Burnette, and you boys.*

*Those are Golden Memories for me and now my brother and I can't talk about them again. But they will live within me until it is my time for God to call me home.*

*May God give you comfort in our loss.*
