“ I dont think Uncle Marvin met a kid that didnt instantly adore him!
From hay rides/trick or treating in his put put truck, to the little things
he taught each one of us. I have so many fond memories that I hold
close to my heart, Uncle Marvin may be gone from our lives but will
live on forever in our hearts!

“ I have so many. We used to go fishing a lot when we were little. He could throw a baseball in the sky so high you couldn't see it anymore. He loved mashed potatoes. I remember him & momma got us a brand new swing and put it up in the backyard.... we love you Marvin
