“ We are so sorry to hear of James' death. We purchased your home on Poinsettia in Forest, MS. and as long as we lived there, it was the "James Reed Home". We remember James as being so helpful & kind to us. Our sympathy to all the Reed family.

“ I am very saddened to hear of Jim's passing. He was a true and loyal friend, and I shall miss him greatly. My last conversation with him, Jim gave me one of the greatest testimonies I have ever heard. I know he is in Heaven today, rejoicing, and I know I will see my friend again, one day. God Bless.

“ Dear Glynda and Family,
I was so shocked and grieved to learn of Jim's death. I knew he had problems last year but thought he was doing well. I'm having to take care of Mother now or I would have surely been to the funeral. Just know that you are in my thoughts and prayers. You know how close Jim and I were and how fond of him and all of you Pat, Mother, and I always have been. It will be a difficult time for you but your strength and faith will sustain you I know.
In Christ's love,
Rhett

“ Glenda, I was especially impressed at today's service with Brian's remarks. As soon as he started, it was like reminding me of many conversations I had, or should I say Jim had with me. I shall remember those times fondly and think of him often. He was a very nice guy and I enjoyed our times together at Rotary and Master Gardeners. He will indeed be missed, but he will indeed be waiting for that day when we all those trusting in Christ shall be together forever..... Thinking of you, missing Jim, and remembering you in my prayers.....
