“ Jim was the love of my life, we just couldn't manage to get our timing right. I was deeply saddened when I heard of his passing, especially since no one notified me that he had been ill or had passed. I would definitely have been there had I known. We had always planned on growing old together there on Whipoorwill Hill when I retired. I miss you JT.

“ So sorry to hear Jim has passed. I still remember my first day in the first grade at Duling Elementary and him in my class. We went to school together for years. He was always a sweet person and I am sorry he is gone.
