“ Janice was a long-time friend. I first met her when we were in fifth grade and we went on through high school together.

We had a little singing group, called the BJ's, (two Barbara's and 2 Janice's). Jan was the pianist and had such a gift for music. Our voices blended perfectly and the harmony was such you could not distinguish a single voice, but the perfect blending of voices.

I cherish memories of Jan. She was very smart and artistic. I always admired her and cherish her friendship. Today my heart is aching.

“ Jan was not only my long time Church Friend but was a Friend I knew I could always call on anytime.....she was a great listener and would do anything in her power to help you....My heart is breaking because my Friend will not be sitting in the pew right in front of me at church as she has for years....but my heart is rejoicing in the fact that I know Jan is rejoicing in Heaven and her pain is gone forever! If you didn't really know Jan....let me tell you....she was "soft" spoken but her words meant so much! Love and Prayers to Robert and Family for your loss of this precious lady.....She truly was a beautiful person both inside and out and our church has suffered a tremendous loss but Heaven gained a Beautiful New Angel!
