“ Dear family of Jason, I am sorry for the loss of your son and brother. I wish to share comfort from the Bible at this very sad time. The Bible teaches us about the wonderful future resurrection hope is the promise found at John 5:28,29. Revelation 21:3,4 states that in the future ' death will be no more. and pain will be no more, the former things will have passed away.' Our Creator, Jehovah God, by means of his son Jesus, is going to undo the tragedies that touch our lives today and we will be able to welcome back onto the paradise earth,our loved ones who have fallen asleep in death. There is much Bible-based comfort to be found on the website www.jw.org

“ I was a student nurse from JCJC who cared for Mr. Williams at South Central. I thoroughly enjoyed his company and always felt a sense of calm and warmth from him which was very reassuring for me as a new nurse. His smile and words of encouragement will be something I will always carry with me. I'm terribly sorry for your loss and I will keep your family in my thoughts and prayers. I pray that God covers each of you in his loving arms and brings you comfort during this difficult time.
