“ I am one of the many that was taught by Mrs. Pryor. She was my Physical Ed and Health Instructor at West Jones for several years. She later was a mentor as I returned to West Jones to student teach and then the following year as a full time teacher. She was always one that could answer my multitude of rooky questions that scary first year. I appreciated her for both roles she played in my life. (Mrs. Pryor, I am still exercising and am retired after 31 years of teaching. You taught me well.) Mary Alice Bertsch Wood
