“ *Cheryl and Deborah, Judy and I were saddened to learn of the death of your mother. She and Bob were special friends to us and our lives were greatly influenced by the examples we saw in their faithfulness and Godly examples. They have been sorely missed by us and will continue to be, but they leave only good memories for us and equally so to you two and your family. Circumstances prevent our being with you at this time, but we send our love and pray that God's peace will comfort you at this time. Ted and Judy Lightsey*

“ The loss of a parent or grandparent changes us. I am sending positive thoughts to you and your family. When my Mother, Helen Hatfield passed away the one comfort was remembering all the memories of the life I was allowed to share with her. I hope for you and your family that in the days, months and years your memories will help you during this time.

“ Cheryl-I have such fond memories of your mom and dad. Every time I spent the night at your house Jean made me feel so welcome. She had such a kind spirit and an absolutely wonderful laugh. She was such a beautiful woman and a true lady. I treasure my memories of those days. Your mom enriched my life. I am so sorry for your loss.
