“ My memory (memories) of Ms. Jeannie are always of her love and devotion to her family . She always had something cooking on the stove or baking in the oven and if you were there visiting (or just happen to stop in unannounced) she always extended an " invite" to stay and eat!

Also, her talent for decorating at holidays....especially at Christmas time! I know Frankie was very well known for his elaborate decorations on the outside and the yard but what always impressed me was Ms. Jeannie's beautiful handmade decorations she displayed throughout her home! She was very talented in this area! I have always thought about her this time of the year (Christmas) because she once showed me how to crochet these beautiful, intricate,crochet ornaments for the tree! Her tree was always the most beautiful one I would see at Christmas time! I have tried to make some of these crocheted items over the years but never mastered in comparison to how beautiful and perfect that hers were! So you kids keep her " art " and think of the love she showed in making these thingsjust to bless her family!
You will be missed Ms Jeanie, rest in peace until we all meet again.

Love and Prayers to All,.....Ms Connie Ledford
