“ Jennifer was such a sweet, loving and caring individual. She was a neighbor of my mom's and also attended the same church. My mom was so fond of her and her children. She has been an angel to my brother's and I since my mom passed away by putting flowers on her grave on special days for us. She was a Christian lady and she will be dearly missed by so many. My brothers and I send our deepest condolences to Jennifer's husband, children and immediate family. I wish I was close enough to attend her service. Our thoughts and prayers are with you all. I know mom will be at the door to welcome her home. They will have so much to talk about.
