“ Jerry was and still is, my best friend and companion of 23 years. He was the best of all ...keeping me laughing and enjoyed our times together. We spent the day together before he passed, making plans for our future and having a beautiful day. Every time I called jerry, he would answer the phone saying " well, I love you" and I would tell him also that I loved him too.... But, God had other plans for Jerry.. To come live with him.. I just want to say Jerry I will always love you and I'll keep you very close to my heart. I feel your present with me ,helping me cope with my grief. I love you ,sweetheart. Janice
