“ Jerry Lynn was such a good friend during our high school years. We lost touch for many years until the "girls of '62".got together. It was wonderful to get in touch again. As good friends do, we picked right back up where we left off. Jerry Lynn was a delight to be with and will be missed so much, especially when the "girls" get together. Love and prayers for her family.

“ July 2016 Steven and I were blessed to come to Mississippi to visit with Aunt Jerry Lynn and Uncle Dickie. See picture in the photo section. We were out to dinner together when Uncle Dickie made us all laugh by putting a bubble gum prize over his eye for this picture. Aunt Jerry Lynn's smile is so contagious. Thank you for always sharing your love with us! We love you and will miss you Aunt Jerry Lynn. Heather, Jeremy & Steven Johnston

“ *Final Letter to my B F F*

Dear Jerry Lynn

My heart is heavy laden knowing you are on your journey home...

You were my "best Long time friend " and I will truly miss you (and your wonderful sense of humor that kept me laughing often).

Thank you for all of the good times we shared together and for always lifting me up thru the good and bad.

You were my true and inspirational friend that I will always love..

May your body Rest In Peace and your "spirit" soar through those pearly gates finding solace there among loved ones already there...

Thank you Jerry Lynn for walking with and beside me all of those years here on earth and I look forward to walking with you again when God calls me home too.

I love you Jerry Lynn...until we meet again, I always be your BBF

I loved this sweet lady during our years in high school and for all these years afterwards. One thing I loved about her was her wry sense of humor. She entertained us with many funny stories and could find humor in any situation. I will always cherish the memories we made through the years as "Girls of 62" See you later sweet friend!!

“ *I met Jerry Lynn in the 7th grade at Kate griffin. We clicked instantly. While we were not always in contact through the years, we stilled loved each other.*

We reconnected at a class reunion, and formed a group of friends that met for lunch monthly. It was fun being together again.

She had a wonderful sense of humor. One of my fondest memories of her is when our group went to the Mississippi coast for a weekend. She kept us laughing!!!!

While we will all miss her, we know she is with God and healthy again.

May God bless the family during this time.
