“ There aren't words to even begin to say how much you meant to me. Its because of the love and understanding you showed me when I was a child that helped me to grown into a man I hope you were proud of. Your love of God taught me to have faith and trust in him. Papaw there will never be a day when you aren't in my heart and thoughts. Thank You for being the best grandfather a person could ask for. I will miss you... Love, Sonny
